Acknowledging What Is Conversations With

Many people know what it's like to often hear others remark that they're quiet. Most often this comes up in group situations. If you don't say much during a one-on-one meeting it usually just leads to the conversation ending. However, when

Why Conversations
About Racism Belong
in the Classroom.

Read Online Acknowledging

Starting constructive conversations about racism and bias can be daunting, regardless of audience. And when that audience is young children, it can seem impossible. There are plenty of arguments why classrooms should continue to avoid the issue altogether.

No one likes having difficult conversations at work. Thankfully, there are a few things that can make them a little easier. A feeling of dread often overcomes us when we have to tell someone something they won't want to hear. Maybe you need to address a performance issue with a struggling employee. Or perhaps you need to present unfavourable employee feedback to

about race? Recent events have shown that race is a topic that has been long overdue. Communities around the world have taken to social media and the streets to protest the unlawful, unjust treatment that occurs to individuals based on race. 2020 is the time for change, and it is important to realize the factors at play. The United States has a deep history of racism
