email download problems which can be a problem with large attachments. [4] Why .DOC files OR .RTF files? The files can be downloaded from the site in several formats: either .DOC (MS Word format) or as .RTF files.

Physiology Multiple Choice Question Bank

None of the answers are 'wrong' - all could be seen in a patient with chest pain. However, the best candidate would rule out findings not seen in PE and then choose (as the question asks) the most likely ECG finding. The explanation is informative and explains which of the answers are more or least likely, and why.
