Write checks Use the Write Checks window to record checks you print or write, ATM withdrawals, debit card purchases or electronic fund transfers (EFT). Don't use the Write Checks window to pay bills you entered or create paychecks. To start, go here: Banking > Write Checks. Enter the amount of the check.

SMALL BUSINESS ACCOUNTING User Guide

The User Guide (aka User Manual) provides the information and instructions needed to set up and use a product. A User Guide includes written and visual information (such as diagrams or screen shots) to assist the user in completing tasks associated with the product (or service), organized along functional or workflow lines.

User Guide Template | TechWhirl

Summary: A user story is an informal, general explanation of a software feature written from the perspective of the end user. Its purpose is to articulate how a software feature will provide value to the customer. It's tempting to think that user stories are, simply put, software system requirements.
