After 7,000 miles towing manual tranny Honda Fit, it works great with no problems. Extremely easy to use, just connect cables to MH and flip on power switch in car. Nothing else to do. I installed this myself using the etrailer installation video, which was excellent and easy to follow. Highly recommend. 943258

I got a remote starter installed on my van 3 months ago. It was working fine until last week that I took off the battery of the van. On putting back the battery, the remote wouldn't work fine again. It works pretty good during the day but would not work early morning (when I need it most). The van starts fine with the keys at all times of the ...
