Please note: This article originally appeared in the NutriSearch Comparative Guide to Nutritional Supplements™ for the Americas, sixth edition. There are, in fact, two things, science and opinion; The former begets knowledge, the latter ignorance. This chapter explains the Health Support Profile, a set of mathematical models based on the 16 Health Support criteria described below.

NutriSearch Health Support Criteria

This comparative guide has been developed to assist the public in sorting through the maze of nutritional supplements available today. The guide does not endorse any product or manufacturer, nor does it make any health claims. It simply documents and summarizes recent findings in the scientific literature.
