Why do I want to become a teacher? A teacher has the direct opportunity to make a difference, to change the future. I have been told that I am an idealist. I want the best for everyone. I will set high goals as a teacher and do my best to show each and every student that these goals are within their reach.

Online Library

Paper Why I Want To Be A Family Nurse Practitioner

Early childhood education is one of the most interesting types of teaching for me, as it involves work with the youngest children. I think that the majority of people underestimate the possibilities and opportunities open for these little personalities, which results in poor attention paid to their development.
