There is no such thing as a moral or an immoral book. Books are well written, or badly written. That is all. The nineteenth century dislike of realism is the rage of Caliban seeing his own face in a glass. The nineteenth century dislike of romanticism is the rage of Caliban not seeing his own face in a glass.

Turmeric is a plant that has a very long history of medicinal use, dating back nearly 4000 years. In Southeast Asia, turmeric is used not only as a principal spice but also as a component in religious ceremonies. Because of its brilliant yellow color, turmeric is also known as "Indian saffron." Modern medicine has begun to recognize its importance, as indicated by the over 3000 ...

This book is a great resource not only about AIDS, but about medicine in general. It starts telling the story of the germ theory of disease, and the great successes of scientists like Koch and Pasteur identifying different germs as the causing agents of disease, and how this concept was extended to viruses when they were discovered.
