2001 POLAR MOHR 66 in Uzwil, Switzerland - Machinio

we have a polar 66 cutter model 2007. The machine has developed an error coded 603. When the machine is switched on, it boots normally but when we cut, sometimes the knife does not reach the cutting stick immediately so it does not cut. At times it cuts a few times, then the error comes on and the machine does not cut.
