Politics Of Military Rule And

Military rule, political regime in which the military as an organization holds a preponderance of power. The term military rule as used here is synonymous with military regime and refers to a subtype of authoritarian regime.. For most of human history, attaching military to rule would have been redundant, because almost all political regimes in large-scale societies of the premodern period ...

Military rule | political regime | Britannica

The military expropriated private businesses and followed an economic policy of autarky, or economic isolation. There were sporadic protests against military rule during the Ne Win years and these were almost always violently suppressed. On 7 July
