Pontiac Service Engine Soon Light

Service Engine Soon Light Meaning. If the 'Service Engine Soon' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

Service Engine Soon Light - Meaning, Causes & Fix ...

Your Pontiac Firebird's service engine soon light is there to let you know that some sort of problem has been detected with the vehicle. Any vehicles made in 1996 or newer use OBDII codes, which can easily be retrieved from a good code scanner. A flashing service engine soon light is telling you that something needs immediate attention.

Pontiac Firebird: Service Engine Soon Light → Diagnosis ...

When the "Service Engine Soon" light comes on, your Pontiac Trans Am is trying to tell you it has a problem. Thankfully, the car likely knows what the problem is, and you just need to access its computer to find out. Cars have an On-Board Diagnostic (OBD) coding system for this purpose.

Pontiac Trans Am Troubleshoot the Service Engine Soon Light

Some models of the Pontiac Grand Am have a computer system that lets the driver know when regular service is needed. The service should be performed as soon as possible once the indicator light comes on. The computer monitors driving conditions to make the determination when to illuminate the reminder light. Many automobile mechanics will reset the service light when they perform the maintenance or service.
