The Jet 716200 drill press is the latest 15 Inch model from the JET factory and a new addition to our drill press reviews. This model is the new version of the very successful JET 354165 JDP-15M (Our top-rated drill press last year). While improvements were made in a few areas, most of the features and specifications of the previous model were retained.

The sliding headstock is perhaps the first thing you will notice about this wood lathe. It pivots a full 360 degrees and locks in seven different angles - 0, 30, 60, 90, 120, 180, and 270 degrees. This enhanced range of headstock positions coupled with its variable speed settings, ranging from 400 to 3,000 RPM, provides optimal user convenience.

The changes incorporate multiple subtle improvements to ergonomics and user experience, and these notably include an overall thinner and lighter case. The most visually obvious changes are the bezel's now grippier texture — which is in line with that of typical modern dive watches — and the 6 o'clock date display topped with a circular ...
