Profits of War: Inside the Secret U.S.-Israeli Arms ...

A war profiteer is any person or organization that makes unreasonable profits from warfare or by selling weapons and other goods to parties at war. The term typically carries strong negative connotations. General profiteering, making an unreasonable profit, also occurs in peacetime. An example of war profiteers were the "shoddy" millionaires who allegedly sold recycled wool and cardboard shoes to soldiers during the American Civil War. Some have argued that major modern defense conglomerates lik

War profiteering - Wikipedia

Profits of War is Ben-Menashe's story. He lays before us his life, his loves and most importantly his career as an Israeli agent during the 1980s. His early life as an Iraqi Jew, in Iran, equipped him well for service with Israeli intelligence.

Governors sue senators over revenue sharing stand-off

A Country does not profit from war but a handful of individuals and they do so by providing things that are needed to wage war. Down through history these people have often provided the funds and/or war goods to wage war to countries. A good example is Shell Oil. During WW2 Shell Oil sold products in both America and Nazi Germany.
