**Rethinking Commodification: Cases
and Readings in Law and ...**

What is the price of a limb? A child?
Ethnicity? Love? In a world that is often
ruled by buyers and sellers, those things
that are often considered priceless
become objects to be marketed and
from which to earn a profit. Ranging
from black market babies to exploitative
sex trade operations to the...

**Rethinking Commodification: Cases
and Readings in Law and ...**

Rethinking Commodification contains an
excellent array of contemporary issues,
including intellectual property,
reparations for slavery, organ
transplants, and sex work; and an
equally stellar array of contributors,
including Richard Posner, Margaret Jane
Radin, Regina Austin, and many others.

Martha Ertman - Wikipedia

Commodification is often criticised on
the grounds that some things ought not
to be treated as commodities—for
example water, education, data,
information, knowledge, human life, and
animal life. Human commodity is a term
used in case of human organ trade, paid
surrogacy also known as
commodification of the womb, and
human trafficking.
