Sartre Foucault And Historical Reason

A history, thought Foucault, should be a kind of map, a comparative charting of structural transformations and displacements. But for Sartre, authentic historical understanding demanded a much more personal and committed narrative, a kind of interpretive diary of moral choices and risks compelled by critical necessity and an exacting reality.

Sartre, Foucault, and Historical Reason, Volume One ...

Sartre and Foucault were two of the most prominent and at times mutually antagonistic philosophical figures of the twentieth century. And nowhere are the antithetical natures of their existentialist and poststructuralist philosophies more apparent than in their disparate approaches to historical understanding. In Volume One of this two-volume study, a reconstruction of Sartrean historical ...
