Social media is changing communications, in ways that are both good and bad—but always interesting. I recently spoke to a local chapter of the Society for Technical Communication, made up of people who write documentation, create help systems, edit knowledge bases, and (these days) work to make user interfaces more self-explanatory.I urged them to pay attention to how social media is changing ...

How Social Media Changes Technical Communication ...

Sexy technical writing...we’ve got to be kidding, right? But no, we aren’t. Good technical writing is powerful and clear and gets the job done. It brings people together and solves problems. Good technical writing purrs and hums like that BMW you plan to be driving someday.What’s not sexy about that? On the other hand, poor technical writing skills may lead to a lifetime of asking people ...
