Librarians will be challenged to “learn new skills to be able to implement the new technologies for learning, research and information for their patrons”. This could lead to an increased focus on learning and development within libraries, a shift in what is taught in Library & Information Science courses or perhaps simply an expectation

The Librarian and Her
Beast This was a good
story. I enjoyed reading
about the life of a
librarian and the
football coach at a
private school. Piper
was a very small lady
and Nash was just as
big as a pro foot ball
player. He definitely
had eyes for Piper and
