This visualization shows how tourist arrivals have increased since shortly after the Second World War in 1950. The United Nations World Tourism Organization (UNWTO) estimates that internationally there were just 25 million tourist arrivals in 1950. 68 years later this number has increased to 1.4 billion international arrivals per year.

## **Tourism - Our World in Data**

Best Time to Go. While you can visit Spain all year round, most travelers tend to visit in the Summer months to soak up that amazing Mediterranean sun! The only problem with this, however, is that it leads to crowded areas, especially along the coast. The best time to go is from April to October.
