News Archives - Task & Purpose

Do guns kill people, or do people bearing guns kill people? This is the crux of the current gun control debate, which has divided the United States. While there are arguments on both sides, the contentiousness of this issue rests on whether or not one connects gun rights with public safety and self-defense.

2nd Amendment: A Complete History of the Right to Bear Arms

This arming of the various Indian Nations was a major factor leading to the French and Indian War, 1755 to 1763. Despite protests from the American Colonists, both the French and English used Indian trade guns to form alliances with the Indian Nations.

When war broke out in Europe in September 1939, President Franklin D. Roosevelt declared that while the United States would remain neutral in law, he could "not ask that every American remain neutral in thought as well." Roosevelt himself made significant efforts to help nations engaged in the struggle against Nazi Germany and wanted to extend a helping hand to those countries that lacked ...
