Drawing on the deepest fears of a group of creatures, you create illusory creatures in their minds, visible only to them. Each creature in a 30-foot-radius sphere centered on a point of your choice within range must make a Wisdom saving throw. On a failed save, a creature becomes frightened for the duration. The illusion calls on the creature's deepest fears, manifesting its worst nightmares ...

To help maximize damage, you should match the Type of your Pokémon with the Type of the attack. For physical and special (but not calculated) attacks, this provides a 1.5x damage boost as compared to a non-matching Pokémon using that attack. Thus, while Magmar can learn Psychic, it's better suited for Hypno. For dual-type Pokémon, only one of their types need match to get the 1.5x bonus.

The Three Witches, also known as the Weird Sisters or Wayward Sisters, are characters in William Shakespeare's play Macbeth (c. 1603–1607). The witches eventually lead Macbeth to his demise, and hold a striking resemblance to the three Fates of classical mythology. Their origin lies in Holinshed's Chronicles (1587), a history of England, Scotland and Ireland.

Yukari trying to use her Evoker. Yukari has phasmophobia (a fear of ghosts) similarly to Chie Satonaka and Makoto Nijima, which Junpei, Akihiko, Ryoji Mochizuki and sometimes both protagonists often take advantage of by intentionally spooking her or telling her ghost stories to agitate her to their amusement. Yukari's phasmophobia can be seen as being symbolic of her fear of death.
